The first name you enter will be the parent/guardian name. You will then have the opportunity to enter your child's name. Please enter a valid address, phone number and email address for further correspondence. Please enter your child's birthday information as well. If returning customer, please make sure all information is correct.

As you click "next" (bottom right) you will get to the Register tab. Choose the student(s) and make sure you see the classes for "Summer 2020". If not, select from the drop down menu.

You will then see a list of camps. Please select the camp(s) you would like to register for. The class will say "Pending" until the studio approves the class to ensure proper placement. This process may take a few days. Once we have approved your camp selection you can go online to pay.
